- Re-checking is not permissible in case of Practical examinations of different subject/s or paper/s sessional marks.
- Application for this purpose on the prescribed form should be received by the Board **within 30 days of the date on which the result of a particular examination** is declared by the Board on Board's websites. The period of 30 days in this case is counted from the date the result is declared by the Board and not the date on which it is collected/received by the institute/candidate, i.e. the date given on the Board Result Notification forms the basis for calculating this period.
- The candidate concerned should make sure that the application for rechecking reaches the Board office by the prescribed date. Any application received after the due date will not be entertained and the fee once paid shall not be refunded.
- The answer -books are rechecked to see if the marks awarded to various answers have been correctly added and if all the answers have been assessed by the examiner.
- The answer -books are not shown to the candidates or to anybody else on their behalf or otherwise.
- Grace marks as admissible under the Regulations are granted automatically, without request, before declaration of the result. No correspondence in this connection is entertained.
