Elective: 6.2.1 Landscape Design; 6.2.2 Interior Design; 6.2.3. Advanced Model Making; 6.2.4 Advanced Computer Application (students will choose any one of the four electives, depending upon their interest and availability of faculty in the polytechnic)

Will comprise of co-curricular activities like extension lectures, games, hobby clubs e.g. photography etc., seminars, declamation contests, educational field visits, N.C.C., NSS, Cultural Activities etc.

+++ Students will be sent to Professional Architects for training during winter vocations after 5th semester and they shall continue this training in Sixth semester for about 3 weeks (LTP:: - - 6). After joining the polytechnics in sixth semester, after completing professional training the students will be assigned to complete one portfolio (Major Project) for about 2 months (LTP :: - - 18). This consolidated time for portfolio and professional training should preferably be given at a stretch, during which there will be no other subject teaching
